

# PCA Storehouse Bulletin 3rd July 2016

## Issue 2

### **Registered Office of the PCA Storehouse**

This has officially moved from 7 Bridge Street to 22 High Street

**Monthly Public Meetings** are held on the last Saturday of each month, starting in the Town Hall at 10.30. The last one allowed over 30 people to tour the Storehouse and 'catch the dream': don't miss the next on **27th July!**

**New ideas** The pause while we wait for a Building Warrant allows time for fresh thoughts. Difficulties in recovering the floor area for the Indoor Market could be solved by creating a 'model village', with block paving beneath the feet and lamplit sidestreets, lined by roofed stalls. Colum produced a 'stage set' of how it might look.

**Share Certificates** Investors were able to collect the first Share Certificates but we will deliver by hand or post those not collected soon. If collecting, help us find your certificate amongst 750 filed by bringing your Certificate No., sent recently by email, with you.

**More investors needed!** Share purchases are currently just under the £100k mark: yours could be the breakthrough cheque! Our initial appeal got the £82k we needed to get started but we need at least £80k more to create attractive facilities downstairs and upstairs. We will be re-leafleting Penicuik and the surrounding areas before September. If you would like to help, please shout! If you see 'Open' signs outside No. 22 meantime, do drop in or take a leaflet .

**Tax reclaim** If you have invested and are filling in your tax return, don't forget to claim back tax for buying shares in a community benefit society: you may then be able to afford to buy another share!

**Volunteers needed!** Besides 'posties', we need folk with trades skills, as Building and Planning consent edges closer. We could also do with an experienced treasurer and people willing to undertake more menial tasks. Please add your name to our volunteer list if you think you can help whenever you find the Storehouse open or by phoning Roger Kelly on 07726862850.
